STAT

Thanks for your good letter of December 6th. I am very pleased that you might become available for service with us.

I have to be away from the office for a couple of weeks in the immediate future but I should like to see you and I do hope you will get in touch with me sometime after the first of the year so that we may talk this matter over.

Sincerely yours,

A handwritten signature, likely of Allen W. Dulles, consisting of a stylized 'A' and 'D'.
